DEWAN'S OFFICE 4 NOV. 1930

OFFICE OF THE DIRECTOR,

Dated, Bangalore, 30th October 1930.

FROM

C. RANGANATHA RAO SAHIB, Esq., B.A., B.L.,
Director of Industries and Commerce in Mysore,
(Bangalore, India.)

OFFICE OF THE THIRD MEMBER OF COUNCIL 3 NOV. 1930 No. 1409

Dyc/149-30-1

B. Narainsamiengar, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Development Departments, Bangalore.

SIR,

With reference to Government order No. D. 3800-3I & C 279-29-22 dated the 8th Octr. 1930 authorising me to place an order for the plant for the manufacture of Porcelain Insulators with the approval of the Electrical Stores Committee, I have the honor to forward herewith for favour of submission to Government, a copy of the proceedings of the Electrical Stores Committee at their -- meeting held on the 28th Octr. 1930. I beg to state that as direct-ed by the Committee, I have this day placed an order for the plant by cable with Messrs. Maschinenfabrik Dorst A.G., Oberlind, Sonne-berg, Thur. I enclose for the information of Government, copy of the letter I have sent to the firm to-day.

As one of the terms of the quotation submitted by the firm - require that one-third of the cost of the plant should be paid to them at the time of placing the order, I request that the Comptrol-ler to the Government of Mysore, may be immediately authorised to instruct Messrs. Coutts & Co., to pay one-third of the cost of the plant viz., £ 483-6-8 to Messrs. Maschinenfabrik Dorst A-G., Ober-lind, Sonneberg, Thur. or their accredited agents in London. I request that the action taken on this letter may kindly be communi-cated to me.

I have the honor to be,
Sir,
Your most obedient servant,
Director.

Proceedings of the meeting of the Electrical Stores Committee held in the Chambers of the Third Member of Council on Tuesday the 28th October 1930 at 3 P.M.

PRESENT

1. Rajakaryapravina
P. G. D'Souza, B.A., B.L.,
Third Member of Council. Chairman.

2. Rajasevasaktha
K. R. Seshachar, B.A., B.E.,
Secretary to Government, K. R. S.
Works & Electrical Department.

3. C. M. Cariappa, Esq.,
Chief Electrical Engineer in Mysore,
Bangalore.

4. C. Ranganatha Rao Saheb, Esq., B.A., B.L.,
Director of Industries & Commerce,
Bangalore. Secretary.

---

1. Government order No. D. 3800-3/I & C 279-29-22 dated 8th October 1930, sanctioning the capital outlay of -- Rs 70,000/- and a working capital of Rs 40,000/- for the - construction and working of a Porcelain Factory for the manufacture of Electrical Insulators, was read. The - Director of Industries stated that he had received a - quotation from Messrs. Maschinenfabrik Dorst A-G. Oberlind Sonneberg.Thur. Germany, for the machinery recommended by Mr. S. Deb for a total cost of £ 1,450/- c.iif Madras. He recommended that the Committee may authorise him to cable to the firm to ship the plant at once. The Committee decided that the plant may be ordered and necessary action taken by the Director of Industries.

2. Un-official note of the Dewan in regard to the proposal of Dr. H. E. Watson, to erect the Factory near the Yeswantapur Railway Station in preference to the site now selected was read. The Committee were of opinion that it is not -

not desirable to shift the factory near the Yeswantapur Railway Station. There was no suitable site available near the Railway Station and if any such site should be selected it should have to be acquired at heavy cost. The site now selected had been approved by Mr. S. Deb and commanded a high elevation and a good draught of wind. It was close to the Indian Institute of Science and also close to Railway Station. The Committee did not therefore consider it necessary to think of changing the site at present. The Director of Industries stated that Mr. G. H. Krumbiegel had finally given the approved plan and that he had prepared the estimates as per plan at a total cost of Rs 24,945/-. He expected that a saving of about Rs 2,000/- to Rs 3,000/- may be effected in actual construc-tion. He proposed that the work should be undertaken departmentally and that one of the Mechanics of the Department should be placed on special duty to carry out the construction work of the Factory under the supervision of the Director of Industries. The Committee approved - that the building may be erected under the supervision of the Director of Industries.

The Director of Industries also stated that he had - arranged for estimates being obtained from Messrs. Alfred Herbert & others for the necessary machinery required for the manufacture of pins necessary for the insulators and that he would place the estimates as soon as they were received before the Committee.

Specifications for the fire-bricks required had been obtained from Germany and Mr. Deb had been addressed to intimate the number of firebricks required for the construc-tion of the kiln. The Director of Industries stated that an order for the fire-bricks will be placed with the Fire-brick Manufacturing Co., of Kolar Gold Fields.

3. Selection of Research Scholars - The list of applications from candidates for appointment as Research Scholars in respect of i) Electrical Insulators, ii) Electrical Transformers and iii) Wireless Telephony was placed before the Committee. The list was carefully gone through and it was decided that Dr. N. V. Raghunath, B.A., B.L., and Mr. S. Puttannaiah, B.Sc., may be appointed as Research Scholars for Insulators and for Wireless Telephony respectively. It was decided that the Chief Electrical Engineer may be requested to select the most suitable candidate from among the other applicants for research scholarship in Electrical Transformers. It was also decided that the Research scholars in Electrical Transformers and Wireless Telephony should work under the orders of the Chief Electrical Engineer and the Research Scholar for Insulators under the Director of Industries.

4. Designs for Electrical Transformers - Prof. Catterson-Smith's letter offering his services to give a design for Electrical Transformers for a fee of Rs 500/- was read. It was decided that as the Chief Electrical Engineer stated that the Electrical Department would take the responsibility for constructing the Electrical Transformers, it was not necessary to engage the services of Prof. Catterson-Smith for this purpose.

5. Transferring a sum of Rs 3,000/- to the Electrical Department for work in connection with Electrical Transformers - It was decided that a sum of Rs 3,000/- may be transferred from 28 Industries & Commerce - 4 Experimental & Demonstration - (Manufacture of Electrical Insulators) in the Budget of the Industries & Commerce Department to the Chief Electrical Engineer for experiments connected with the manufacture of Electrical Transformers.

CR Ramaswamy Iyengar
Secretary.

D.S. 939/29.30

30th Octr. 30

Messrs. Maschinenfabrik Dorst A-G.,
Oberlind - Sonneberg. Thur.

Dear Sirs,

With reference to your letter No.962/6 DZ dated the 27th August 1930, forwarding a quotation for the mechanical equip-ment required for a Porcelain Factory aggregating to the total amount of £ 1,450/- Sterling c.i.f Madras, Export - packing, I write to state that your quotation has been approved by the -- Government of Mysore and I have this day sent you the following cablegram which I hereby confirm -

" Your letter Twentyseventh August Your quotation
" approved. Messrs. Coutts & Co., London, will be
" requested to pay you onethird of the cost of the plant namely 483 Pounds Sterling. Please arrange
" delivery of plant in six weeks from now -
" Indiacom.

According to the terms of your quotation one-third of the amount of the order viz., £ 483-6-8, has to be paid to you when placing the order and the balance against presentation of invoices and - shipping documents to Messrs. Coutts & Co., London. I have to state that I have this day addressed the Comptroller to the -- Government of Mysore, requesting him to instruct Messrs. Coutts & Co., London, to pay you the initial deposit of £ 483-6-8 as early as practicable. In view of the necessary official formalities that have to be gone through, it is likely that there - will be some delay in payment by Messrs. Coutts & Co. I write this, therefore, to request you to kindly go ahead with the manu-facture of the plant in order to enable you to deliver the plant

plant within six weeks from now. I have no doubt that the Comptroller to the Government of Mysore will issue instructions to Messrs. Coutts & Co with the least practicable delay. I trust that you will take particular care in the manufacture and packing of the machinery detailed in your quotation and that we will have no cause for complaint in the working of the plant. This order has been placed with you on the recommendation of Mr. C. Deb, and I have no doubt Mr. Deb will also write to you any further instructions he may consider it necessary to give you. I am sending a copy of this letter to Mr. Deb.

Yours faithfully,

(Sd) C. Ranganatha Rao Saheb,
Director.
